**EX PARTE MOTION FOR CONFLICT FREE COUNSEL AT BOTH THE
TRIAL AND APPELLANT COURT LEVEL'S
(EXPEDITED FOR CHILD CUSTODY RULE 218)**

Comes now Richard Green, and files his motion for conflict free counsel at both the trial and appellant court levels in both cases.

The trial court has refused to appoint conflict free counsel since October 2020 in this and the related CINA case. The Court with drew the Da for a conflict of interest and then re-appointed the same conflict for Rule 60(b) motions. Those issues are the PDA's own ineffectiveness and jurisdictional issues.

The trial court reappointed and the PDA and the PDA has made no appearance in the trial court case and Mr. Green pleadings are being rejected again. This court also ordered the

PDA to appear in this case and that has not happened. The PDA told Mr. Green (3 weeks ago) they would seek to withdrawal again because the same conflict exists.

On October 4, 2021 the PDA informed Mr. Green that they will not represent him at the scheduled hearings in the CINA case set for October 13 and 15, 2021. *a trial court hearing that took 7 months to get scheduled.

Mt Green has tried to inform the Judge through the clerk's office and that effort has been blocked.

Mr. Green has tried to inform the trial court judge through chambers and the court is blocking Mr. Green's efforts (email communication is attached but sealed as attorney client privilege) while OCS continues to causes mental injury to my children. (Exhibit Z-118).

I ask this court for the immediate appointment of conflict free counsel (Rule 12(b) I think) at both the trial and appellant level in these cases.
